

The IACPR Member-gets-Member (MgM) Program

*We know that the best way to attract new members to **the International Association for Corporate & Professional Recruitment (IACPR)** is for current members to tell other **senior corporate recruitment and retained search professionals** why they value the IACPR and the content-rich events they attend.*

We want to thank our current members who reach out to other senior-level recruitment executives and who explain the IACPR benefits and encourage them to join.

- If you are a current member (and, yes, you must be a current member yourself) who refers a new qualified member to the IACPR, you receive either a free **Teletopics or Chapter Meeting registration** for you or a guest. *(worth up to \$75)*
- If you convince two new qualified members to join, you'll receive a ticket to our **Cocktail Networking Reception** at the IACPR Global Conference for you or a guest. *(worth up to \$150)*
- If three new qualified members join through your referral, you receive a free registration to the **IACPR Global Conference** for you or a guest. *(worth up to \$1,795)*

In the case of renewing members, your referred executive must not have been a current member within at least the past two years.

It's easy: We have a box to fill out on both the New Membership Registration form and the Renewing Membership form that asks the new or renewing executive to indicate who referred them to the organization. We'll check our records – and let you know that you are an IACPR winner!
